A Special Welcome to Our Guests

We are especially glad you are here today! In the pocket on the back of the seat in front of you, you will notice a white welcome card. Please take a moment before or during the service to fill out that card. We want to get to know you, and learn how we can better minister to you and your family.

After the service you may take the card to our Welcome Center in the foyer and exchange it for a gift bag. If you'd rather just drop the card in the offering plate during the worship service, please feel free to do so.

Thank you for being our guest!

Thanks to our volunteers!
